

ISO non working riding mowers

Contact: David Mena

Email: dmena99@comcast.net

https://mi-gladwin.countybuyselltrade.com/farm-equipment/iso-non-working-riding-mowers mobile 8210

Address: Tilmans Corner Pk'way, West Mobile, Mobile

Price: 50.00 \$

I'm looking to buy your non working riding mowers. I usually pay \$50-\$300 for them. Price paid will depend on brand, model, age, condition and what's wrong with it. I'm located in West Mobile, but will travel resonable distance to pick them up. I'm not interested in buying push mowers, weedeaters, chainsaws or anything like that. I generators. I don't have any mowers or parts for sale at this time and don't repair mowers
